Grit Bins: If during the recent snow and ice you felt there were too few grit bins on the streets in your area, you can request them via this link https://webforms.edinburgh.gov.uk/.../request/grit_bin. Obviously the siting is important as not everyone wants one outside their house, so you and your neighbours would need to agree the location.

RESILIENCE

JGBMCC has set up a Resilience arrangement. Simple self-help: check on a vulnerable neighbour, put out a bin; get shopping, post letters for them, etc. Juniper Green Parish Church and other local groups can help. The more everyone can do locally will help ease pressures on all. If you are self-isolating and would feel better for a chat, ring Cliff on 0131 453 4115 and he'll put you in touch with someone.
