GUILD NIGHT 3 NOVEMBER 2021

“Our meeting next week is about one of the Guilds National Project, ' Starchild'. 'Finding the light in every child ' a project that will support children with autism and other additional support needs, and their families, in Uganda, to realise their potential in a society where they are not valued. Our speaker next week will be the founder of the charity, Michaela Foster Marsh, who has a personal family connection with Uganda. As we are not having a fundraising event, it would be good if folks were able to attend to hear her story and to contribute

on the night towards a donation for the ongoing work of this charity.” @ Kay Coull
